Annual Report 2015-16

Tamil Nadu
Edition

Saved 1.08 million children in past 7 years

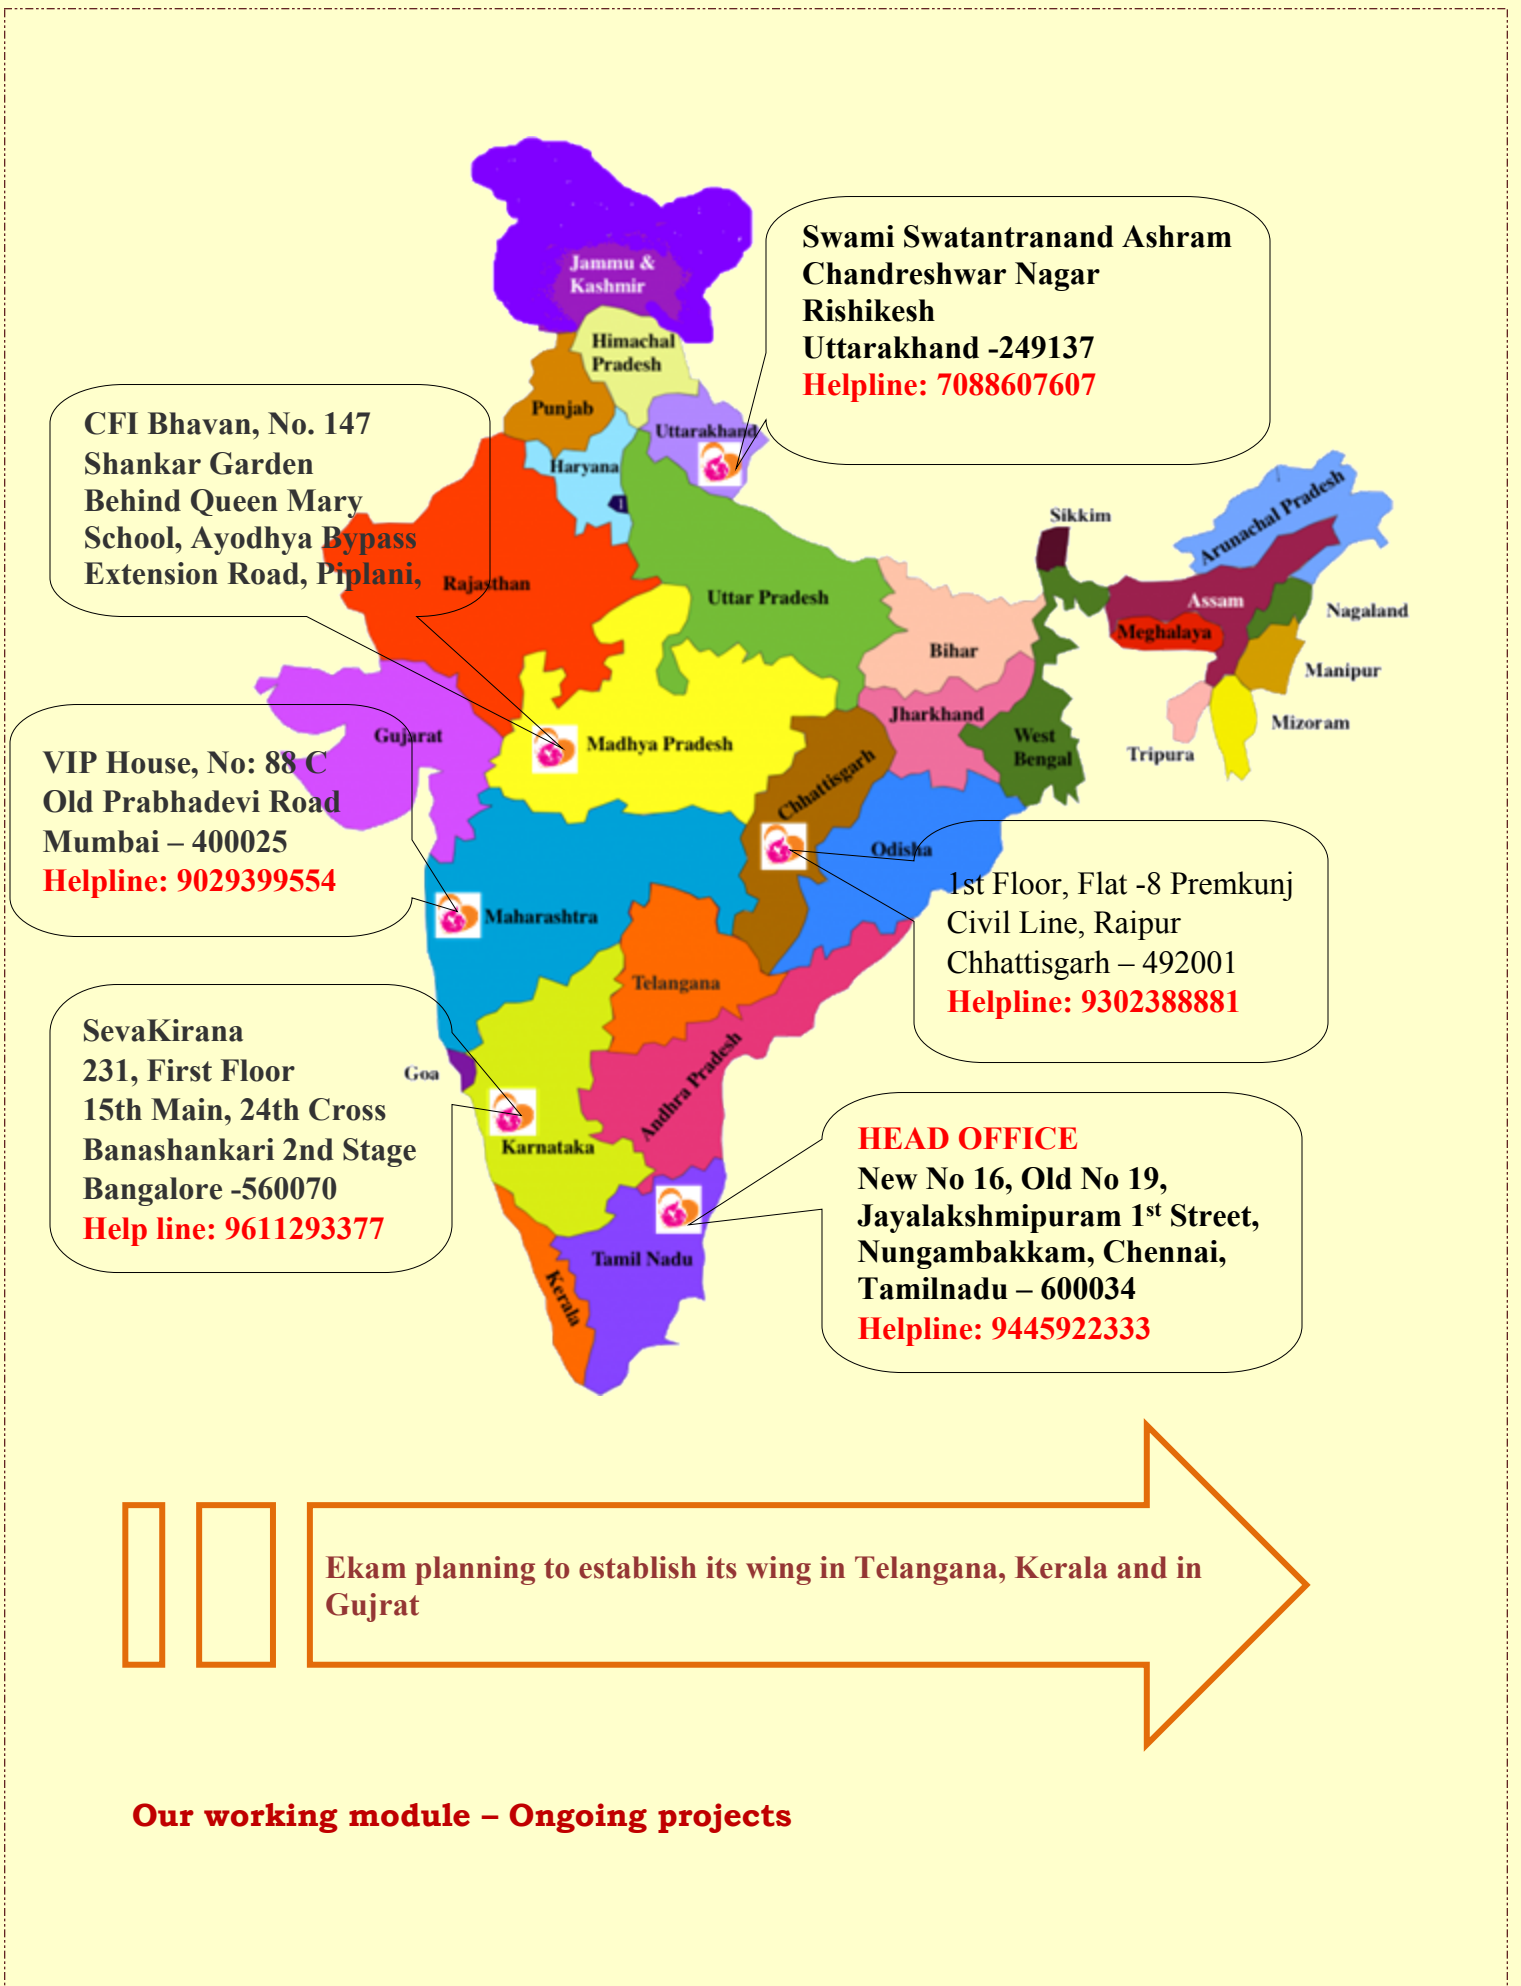

Ekam believes in gross happiness of an individual, a family and a community as the real development. Social and cultural wellbeing of people is the priority learning to experience “Oneness” by working together with compassion to achieve the goal of “Happiness (holistic wellbeing) through compassion” all across from organization to community!

NO CHILD SHOULD BE DENIED THE RIGHT TO HEALTHCARE

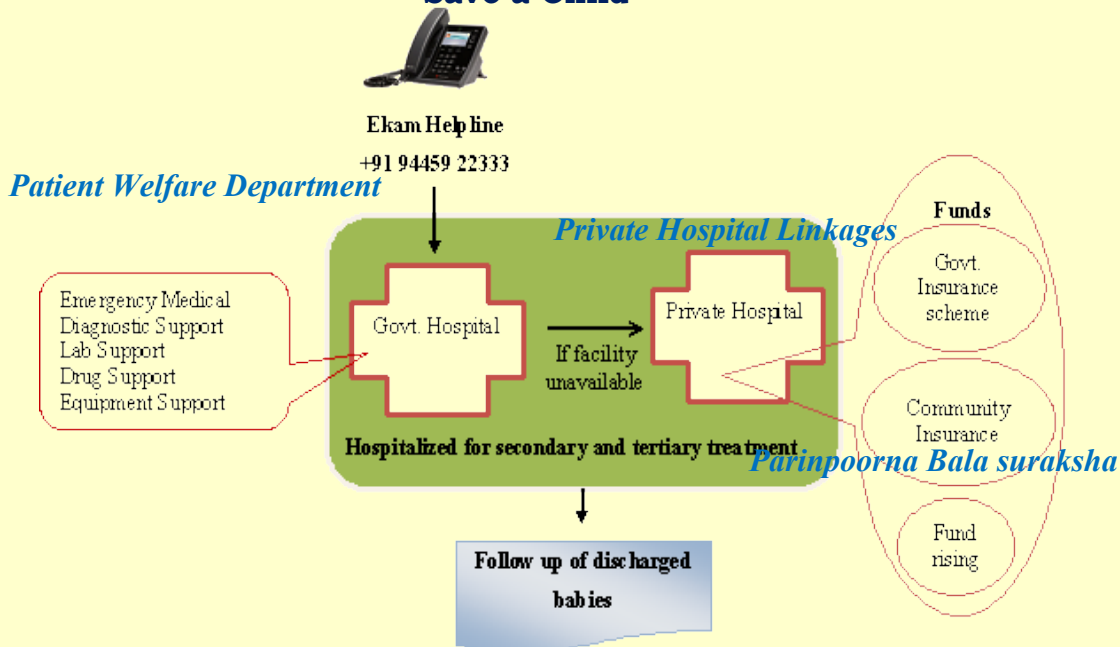

Ekam is a unique health care model, primarily focusing on neonates and infants to seamlessly supplement the public health care system. As a child's health is dependent on the health of its mother, interventions are tailored to address the challenges and gaps within the RMNCHA (Reproductive, Maternal, Newborn Child and Adolescent Health) arena. Ekam has supplemented care at primary health centers, district hospitals and other tertiary care government hospitals by training nurses, help in maintaining critical equipment, transporting sick infants to the nearest district hospitals, in select government hospitals providing additional lab tests, provision on drugs and medicines. Since the focus is on rural health, there have been gratifying results in terms of saving precious infant lives. In the last 7 years, Ekam has reached out to over 10.8 million children and as many families through its multi-pronged initiatives. In addition several camps, training programs, governance/empowerment workshops have been organized to create awareness among adolescent girls, expectant mothers and the community.

We are working at

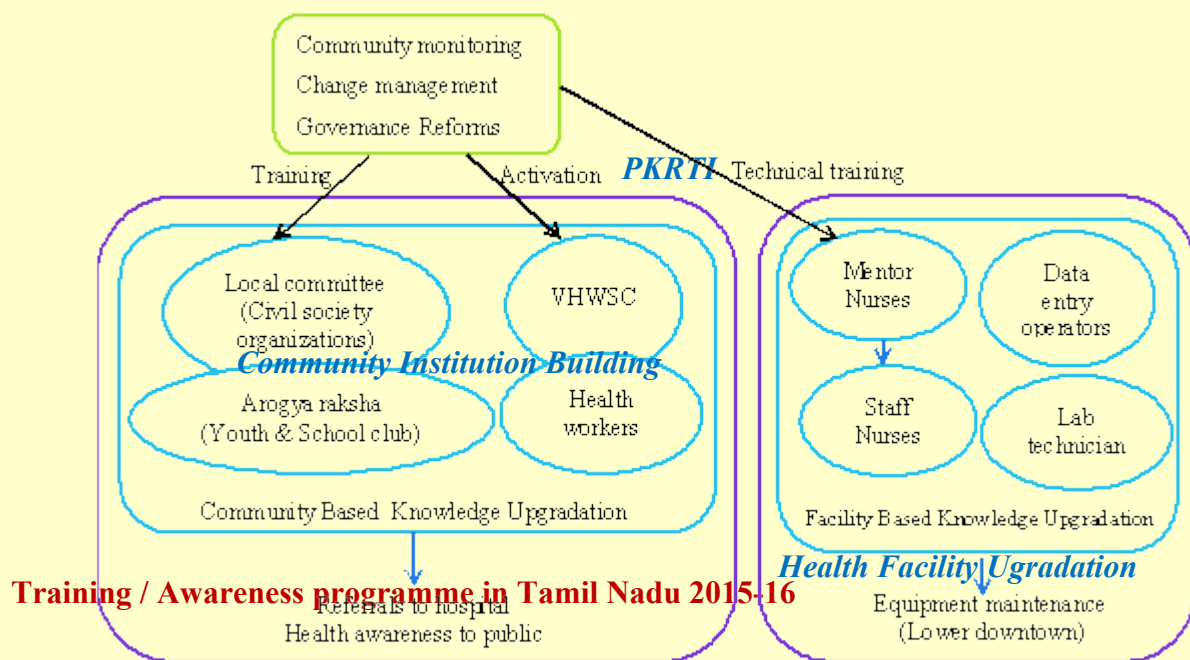

Ekam recognizes the health, hygiene, nutrition, education and social development of children. To meet these all requirements, our interventions involve multiple stakeholders including public health bodies, the government & private hospitals, corporate groups, health professionals and the community. The strategy consists majorly “Save a Child” and “Bala ArogyaSuraksha”

Medical Support to poor children – Save a Child Project

Flood relief programme

November – December, 2015 will be ever remembered for the devastation caused by floods in Tamil Nadu. Life with dignity for poorest of the poor, women and children has been a major issue in this era of globalization where powerful dominate in all spheres of decision-making. Ekam provided the basic livelihood support to the needy with the help of public and other NGOs.

Ekam at Cuddalore District in association with Sornammal Educational Charitable Trust

Ekam at Chennai in association with Goonj and other well-wishers

Target area: Flood affected districts in Tamil Nadu (Tiruvallur, Kancheepuram, Cuddalore, Vellore, Dharmapuri, Ariyalur and Salem)

On 19th August our Thiruvallur District Regional Officer had conducted a VHWSC Committee Meeting in Egattur Village in Kadambathur Block, Thiruvallur District.

Discussion Points:

- ❑ About VHWSC Activity
- ❑ MCH Care in Village Level & Hospital level Support
- ❑ Personal Hygiene
- ❑ Health Awareness
- ❑ Child Referrals & Treatment

At Ariyalur District

- ❑ Collected data base from Gunamanagalam village in Jayakondam block, Udairpalayampanchyat in Ariyalur Districts.
- ❑ Visited Gunamangalam ICDS centre, Schools, PHCs, Local volunteers for the strengthening in VHWSC activity in the village level
- ❑ Got the Permission letter from DDHS in Ariyalur District
- ❑ Got the Permission letter from ICDS PO in Ariyalur District
